#### Dental Benefits

#### What is Covered

**Standard Option** dental benefits are presented in the chart on the following page.

**Basic Option** dental benefits appear later in this section.

Note: See Section 5(b) for our benefits for Oral and maxillofacial surgery, and Section 5(c) for our benefits for hospital services (inpatient/outpatient) in connection with dental services, available under both Standard Option and Basic Option.

#### Preferred Dental Network

All Local Plans contract with Preferred dentists who are available in most areas. Preferred dentists agree to accept a negotiated, discounted amount called the Maximum Allowable Charge (MAC) as payment in full for the following services. They will also file your dental claims for you. Under Standard Option, you are responsible, as an out-of-pocket expense, for the difference between the amount specified in this Schedule of Dental Allowances and the MAC. To find a Preferred dentist near you, visit [www.fepblue.org/provider](http://www.fepblue.org/provider) to use our National Doctor & Hospital Finder, or call us at the customer service phone number on the back of your ID card. You can also call us to obtain a copy of the applicable MAC listing.

Note: Dentists and oral surgeons who are in our Preferred Dental Network for routine dental care are not necessarily Preferred providers for other services covered by this Plan under other benefit provisions (such as the surgical benefit for oral and maxillofacial surgery). Call us at the customer service phone number on the back of your ID card to verify that your provider is Preferred for the type of care (e.g., routine dental care or oral surgery) you are scheduled to receive.

## Standard Option Dental Benefits

Under Standard Option, we pay billed charges for the following services, up to the amounts shown per service as listed in the Schedule of Dental Allowances below and on the following page. This is a complete list of dental services covered under this benefit for Standard Option. There are no deductibles, copayments, or coinsurance. When you use non-preferred dentists, you pay all charges in excess of the listed fee schedule amounts. For Preferred dentists, you pay the difference between the fee schedule amount and the MAC described on the previous page.
