

2024 Blue Cross and Blue Shield Service Benefit Plan - Standard and Basic Option
Section 3. How You Get Care
Page 22

- **Gene therapy and cellular immunotherapy, for example CAR-T and T-Cell receptor therapy**
- **High-cost drugs** – We require prior approval for certain high-cost drugs obtained outside of a pharmacy setting. Contact the customer service number on the back of your ID card or visit us at www.fepblue.org/highcostdrugs for a list of these drugs.
- **Air Ambulance Transport (non-emergent)** – Air ambulance transport related to immediate care of a medical emergency or accidental injury does not require prior approval.
- **Outpatient facility-based sleep studies** – Prior approval is required for sleep studies performed in a provider’s office, sleep center, clinic, any type of outpatient center, or any location other than your home.
- **Applied behavior analysis (ABA)** – Prior approval is required for ABA and all related services, including assessments, evaluations, and treatments.
- **Gender affirming surgery** – Prior to surgical treatment of gender dysphoria, your provider must submit a treatment plan including all surgeries planned and the estimated date each will be performed. A new prior approval must be obtained if the treatment plan is approved and your provider later modifies the plan.
- **Genetic testing**
- **Hearing aids – prior approval is required to receive coverage for hearing aids**
- **Surgical services** – The surgical services on the following list require prior approval for care performed by Preferred, Participating/Member, and Non-participating/Non-member professional and facility providers:
 - Surgery for severe obesity;
Note: Benefits for the surgical treatment of severe obesity – performed on an inpatient or outpatient basis – are subject to the pre-surgical requirements listed in our medical policy

at www.fepblue.org/legal/policies-guidelines.

- Surgery needed to correct accidental injuries to jaws, cheeks, lips, tongue, roof and floor of mouth except when care is provided within 72 hours of the accidental injury
 - **Proton beam therapy** – Prior approval is required for all proton beam therapy services except for members aged 21 and younger, or when related to the treatment of neoplasms of the nervous system including the brain and spinal cord; malignant neoplasms of the thymus; Hodgkin and non-Hodgkin lymphomas.
 - **Stereotactic radiosurgery** – Prior approval is required for all stereotactic radiosurgery except when related to the treatment of malignant neoplasms of the brain, and of the eye specific to the choroid and ciliary body; benign neoplasms of the cranial nerves, pituitary gland, aortic body, or paraganglia; neoplasms of the craniopharyngeal duct and glomus jugular tumors; trigeminal neuralgias, temporal sclerosis, certain epilepsy conditions, or arteriovenous malformations.
 - **Stereotactic body radiation therapy**
 - **Reproductive Services** – Prior approval is required for intracervical insemination (ICI), intrauterine insemination (IUI), intravaginal insemination (IVI), and assisted reproductive technologies (ART).
 - **Sperm/egg storage** – Prior approval is required for the storage of sperm and eggs for individuals facing iatrogenic infertility.
 - **Hospice care** – Prior approval is required for home hospice, continuous home hospice, or inpatient hospice care services. We will advise you which home hospice care agencies we have approved.
